ICE OF THE SUPERINTENDENT

November 8, 1957

Memorandum

To: Director

From: Superintendent, Yellowstone National Park

Subject: Monthly Report for October 1957

Following is the report of activities for Yellowstone National Park during the month of October 1957.

General

Weather Conditions. Weather for the month of October was cool with a series of light snowfalls with .72 inches of precipitation. The maximum temperature for the Park during October was 77°. A low of 9° was recorded on October 26 at the Lamar Unit. The winter range was intermittently covered with snow after October 4, however, at the end of the month the low range was free of snows and depths on the high range varied from one to three inches.

Increase or Decrease in Travel. Travel was determined by self-registry forms and actual count. During the month 6,762 motor vehicles carrying 23,058 visitors were recorded as against 8,514 motor vehicles and 27,959 visitors for the same period last year--a decrease of 20.6 per cent. For the calendar year through October 31, there were 1,593,697 persons recorded as against 1,456,263 for the same period last year--an increase of 9.3 per cent.

Special Visitors. Assistant Superintendent Keith Neilson of Yosemite National Park and Mrs. Neilson visited in the Park October 10 to 14.

Visiting dignitaries during the month included Congressmen James Haley of Florida, Keith Thomson of Wyoming (Congressman at large), and George Shuford of North Carolina and Mrs. Shuford, of the House Committee on Interior and Insular Affairs; Legislative Associate Commissioner R. Rex Lee from Fairfax, Virginia; Dr. John L. Taylor of Hyattsville, Maryland, Consultant on Territorial and Indian Affairs and Insular Affairs Committee; Wilfred C. Gilbert of the Library of Congress and Karl Veley, Court Reporter from House of Representatives, Washington, D. C.

Report [illegible]

[illegible]CE OF THE SUPERINTENDENT

November 4, 1937

Memorandum

To: Director

From: Superintendent, Yellowstone National Park

Subject: Monthly Report for October 1937

Following is the report of activities for Yellowstone National Park during the month of October 1937.

General

Weather Conditions. Weather for the month of October was cool with a series of light snowfalls with .72 inches of precipitation. The maximum temperature for the Park during October was 77°. A low of 0° was recorded on October 24 at the Lamar Hall. The winter range was intermittently covered with snow after October 4, however, at the end of the month the low range has five of snows and depths of the high range varied from one to three inches.

Increase in Gasoline in Tourist. Travel was determined by self-registry forms and actual count. During the month 6,[illegible] motor vehicles carrying 13,[illegible] visitors were recorded as against 5,514 motor vehicles and 27,[illegible] visitors for the same period last year--a decrease of 20.6 per cent. For the calendar year through October 31, there were 1,[illegible] persons recorded as against 1,[illegible] for the same period last year--an decrease of 9.3 per cent.

Special Visitors. Assistant Superintendent Ruth Neilson of Yosemite National Park and Mrs. Neilson visited in the Park October 10 to 14.

Visiting dignitaries during the month included Congressman James Daley of Florida, Ruth Thomson of Wyoming (Congressman at Large), and George Shuford of North Carolina and Mrs. Shuford, of the House Committee on Interior and Insular Affairs; Legislative Associate Commissioner R. Ben Lee from Fairfax, Virginia; Mr. John L. Taylor of Spottsville, Maryland, Consultant on Territorial and Indian Affairs and Insular Affairs Committee; Wilfred G. Gilbert of the Library of Congress and Earl Valey, Court Reporter from House of Representatives, Washington, D. C.

Hans Dominick of Dominick Film Productions, Wiesbaden, Germany was in the Park October 4 to obtain more pictures for the film "The Dream Road of the World" featuring interesting scenes and activities along the highway from Alaska to Panama.

Other photographers taking pictures of wildlife during the month included George Grunkmeyer, Sheridan, Wyoming; Arthur E. Dewey, Cleveland, Ohio; Winston Banko, Casper, Wyoming and Wilford Miller, representing the North Dakota Fish and Game who also obtained pictures of Canadian Geese and Trumpeter Swan.

Inspections. Regional Highway Engineer Barnes MacDonald arrived October 7 to go over road maintenance matters. He departed the 9th for Teton.

H. Gordon Bender, Chief Ranger and Irvin Lloyd, Park Landscape Architect, Glacier were in the Park October 6 through the 9th to go over mutual problems and to review MISSION 66 projects.

Harry B. Robinson, Park Naturalist, Glacier, stopped here October 22 to discuss interpretive developments in Yellowstone en-route to Omaha where he will be on an extended detail on interpretive planning in Glacier.

Miss Fifi Branner, Architect from NODC, arrived October 30 to study and discuss painting requirements. She expected to depart November 2.

Mason Melvin, FBI Special Agent, Bozeman, Montana and Claude Gamble, Butte, Montana, were in the park during the month on law enforcement matters.

Kenneth Evans, of the Civil Service Commission Office, Billings, Montana, was in the park October 1 on personnel matters.

Herbert J. Glesener, Jr., Counter Intelligence Corps, Denver, Colorado, was in the park October 23 on character investigation matters.

Special Activities. Park Engineer Howe and Supervisor of Maintenance (Roads and Trails) E. Armstrong were in Glacier October 1-3 attending a road conference being held there.

Superintendent Garrison left October 2 for Washington, D. C. to discuss the power situation in Yellowstone with NPS and the Secretary's Office officials. He returned the 5th.

Biologist Kittams was in Bozeman October 4 to discuss Elk Management; in Great Falls October 7 to discuss wildlife matters, with the Montana Fish and Game Department; October 8-10 in Glacier where wildlife activities were reviewed and ranges checked; October 11, elk transplanting was discussed in Missoula.

Hans Gmelnick of Dominick Film Productions, Bindsdorf, Germany was in the Park October 4 to obtain more pictures for the film "The Dream Road of the World" featuring interesting scenes and activities along the highway from Alaska to Panama.

Other photographers taking pictures of wildlife during the month included George Grandmayer, Sheridan, Wyoming; Arthur E. Dewey, Glenwood, Ohio; Florence Brady, Tucson, Freeing and Milford Miller, representing the North Dakota Fish and Game Dept. also obtained pictures of Canadian Geese and Trumpeter Swan.

Inspections. Regional Highway Engineer Lawson Mackenzie arrived October 7 to go over road maintenance matters. He departed the 8th for Paris.

A. Corson Bender, Chief Ranger and Irvin Lloyd, Park Landscape Architect, Glacier were in the Park October 6 through the 8th to go over manual problems and to review Glacier 44 projects.

Harry S. Robinson, Park Naturalist, Glacier, stopped here October 22 to discuss interpretive developments in Yellowstone enroute to Lower where he will be on an extended detail on interpretive planning in Glacier.

Chief Fish Manager, Architect Tyco Wood, arrived October 30 to study and discuss pending requirements. She expected to depart November 2.

Mason Melvin, Fish Special Agent, Bozeman, Montana and Claude Gamble, Butte, Montana, were in the park during the month on law enforcement matters.

Kenneth Frank, of the Civil Service Commission Office, Billings, Montana, was in the Park October 1 on personnel matters.

Herbert J. Glossner, Jr., Commissioner Fish Hatchery Corps, Denver, Colorado, was in the park October 21 on character investigation matters.

Special Activities. Park Engineer Drew and Superviser of Maintenance (Roads and Trails) R. Armstrong were in Glacier October 1-2 attending a road conference being held there.

Superintendent Garrison left October 1 for Washington, D. C. to discuss the power situation in Yellowstone with NPS and the Secretary's Office officials. He returned the 5th.

Biologist Gittens was in Bozeman October 4 to discuss Elk Management; in Great Falls October 7 to discuss wildlife matters, with the Montana Fish and Game Department, October 8-10 in Glacier where wildlife activities were reviewed and ranger checked; October 11, six transplanting was discussed in Missoula.

Superintendent Garrison and Assistant Superintendent Hamilton went to Afton, Wyoming on October 7 to attend the 89'ers International Highway Association meeting. They returned the 9th.

Forester Barrows and District Park Ranger Edwards went to Missoula October 8 in connection with the spruce budworm meeting being held there with Forest Service Officials. They returned the 10th.

Superintendent Garrison went to Boise, Idaho October 16 for public relations contacts with the Governor and other State officials, newspapers and civic organizations. Enroute back to Yellowstone he stopped at Big Hole Battlefield National Monument to inspect that area. He returned the 21st. Assistant Superintendent Hamilton was also in Big Hole Battlefield the 19th through the 21st.

Forester Barrows went to Coeur d'Alene, Idaho on October 20 to meet with the Western Pine Association Pest Control Action Council and returned the 23rd.

A permit was granted October 23 to Harold Young and William Nicholls of West Yellowstone to conduct snowmobile trips from West Yellowstone to Old Faithful during the winter of 1957-1958--the operation is known as "Snowmobiles of West Yellowstone".

A meeting was held on October 24 in the Superintendent's Office to discuss plans for making an Origin and Destination Study in the three surrounding states, regarding the possibility of keeping the park roads open during the winter. Representation at the meeting was as follows: R. M. Arenz, Programming and Planning Engineer-BPR, Montana, Paul R. DeVine, Traffic Supervisor, H. T. Buswell, Planning Survey Manager, Montana Highway Department; C. M. Williams, Programming and Planning Engineer-BPR, Wyoming, [illegible] O'Connell, Traffic Planning Engineer, W. O. Daigh, Senior Analyst, Wyoming Highway Department; E. W. Equals, Planning Survey Manager, [illegible] Mathers, Planning and Traffic Engineer, Idaho Highway Department; also Superintendent Garrison, Assistant Superintendent Hamilton and Park Engineer Rowe.

Superintendent Garrison went to Billings October 27 for talks to the Billings Kiwanis Club and the Billings Exchange Club on economics of park travel and MISSION 66 and to further public relations in the area. He returned the 29th.

Sanitation Officer Hyde, Property & Supply Assistant Wright, Park Naturalist Beal and Shop Foreman Kocher were in Livingston October 28-31 to make a quarters rental survey.

Assistant Chief Ranger Sylvester went to St. Anthony, Idaho October 29 to talk to the Rotary Club on MISSION 66. He returned the same day.

Staff meetings were held October 3 and 24.

Superintendent Gardner and Assistant Superintendent Hamilton went to Lima, Ohio, on October 1 to attend the 19[illegible] International Kidney Association meeting. They returned the [illegible].

Director Brown and Trainer [illegible] Minnesota October 2 to consult with the [illegible] being held there with Naval Service officials. They returned the [illegible].

Superintendent Gardner went to Boston, Mass. [illegible] for public relations matters with the Governor and other state officials, newspaper and civic organizations. Brown was in Tallahassee to account at its Sale Institute [illegible] to improve that [illegible]. He returned the [illegible]. Assistant Superintendent Hamilton was also in Big Sale [illegible] the 1950 [illegible] of [illegible].

Trainer Brown went to Saint [illegible], Iowa on October 27 to meet with the Iowa [illegible] Association that Gardner [illegible] and organized the [illegible].

I report was granted October 21 to Donald Tong and Gilliam Blakely of Sam Houston to conduct [illegible] Tech [illegible] Tallahassee to the Fraternal during the [illegible] of 1951-1952. [illegible] operations in Iowa on "Secretaries of [illegible] Fraternal".

A meeting was held on October 21 in the Superintendent's office to discuss plans for making an [illegible] Fraternal in the [illegible] meeting, regarding the practicality of [illegible] the park roads [illegible] during the winter. Superintendent [illegible] was as follows: J. T. Jones, Superintendent [illegible] Tallahassee, Paul C. Collins, Traffic Engineer, [illegible] T. Sewell, Tallahassee Survey Engineer, Thomas Tilgner Superintendent C. W. Williams, Superintendent Planning Engineer-Art, Tallahassee, J. T. Sewell, Traffic [illegible] Engineer, F. C. Smith, Senior Engineer, Tallahassee Tilgner Superintendent, E. T. Spell, Planning Survey Engineer, [illegible] Tallahassee Engineer, Tallahassee Superintendent [illegible] Superintendent [illegible] Engineer, Assistant Superintendent [illegible] and [illegible].

Superintendent Gardner was in Gilliam County on October 27 for talks at the Gilliam Kiwanis Club and the Gilliam Lumbering Club on the matter of park roads and Fraternal and returned to Lima Tuesday public relations in the area. He returned the 29th.

Assistant Director Hyde Brown spoke at a newly [illegible] Club that Tallahassee and the Sam Houston Teachers [illegible] to [illegible] Lodge 31-32 in Lima a [illegible] social meeting.

Assistant Chief Ranger [illegible] to [illegible], Indiana, [illegible] October 25 to talk to the [illegible] Club on October 26. He returned the same day.

Staff meetings were held October 1 and 15.

Superintendent Garrison presented a 10-year pin to Supervisory Park Ranger Appling on October 16 and a 30-year pin to Management Assistant Joffe on October 22 on his return to the office after several months' illness.

Births. A daughter, Melody Dawn, was born October 14 to Mr. and Mrs. William Billman, at the Livingston Memorial Hospital. Mr. Billman is employed as a seasonal truck driver.

Miscellaneous. The first fall meeting of the National Federation of Federal Employees Local 465 was held October 7.

The American Federation of Government Employees held a regular monthly meeting October 14.

The Cub Scout Pack meeting was held October 21. The Girl Scout meeting was held October 29.

Administration

Personnel. Supervisory Park Ranger James Valder left October 15 for Jefferson National Expansion Memorial in St. Louis, Missouri, for temporary assignment there.

Assistant Chief Park Ranger Sylvester, District Rangers Eliot Davis and Lennart Berg, and Law Enforcement Officer Joseph Fraser, received appointments as Special Deputy, U. S. Marshall, effective October 16.

Elbert A. McLaren, promotion October 21 to Supervisory Park Ranger, GS-6, from Acting Supervisory Park Ranger, GS-5.

Maynard B. Barrows, reassignment and change of headquarters, GS-12, Grand Teton National Park, close of business October 31.

In-Service Training. Chief Park Ranger Brown left the park October 10 to give instructions and practical demonstrations in survival and mountain rescue techniques at the National Park Service Training Center at Yosemite National Park.

Accidents and Public Safety. Eight automobile accidents were reported during the month, two were class "A" and the rest were of a minor nature.

Cooperative Activities

General Publicity. Press releases issued during the month were on road conditions in the park, grizzly bear cub sent to the Clovis, New Mexico zoo, operations closing at Old Faithful and discontinuing of snowplowing after November 1.

Superintendent Service presented a 10-year pin to Supervisory Park Ranger Spalding on October 16 and a 20-year pin to Management Assistant Mills on October 23 on his return to the office after several months' illness.

Murphy. A daughter, Bridge Ann, was born October 16 to Mr. and Mrs. William Milliman, at the Livingston Memorial Hospital. Mr. Milliman is employed as a seasonal truck driver.

Miscellaneous. The first fall meeting of the National Federation of Federal Employees Local 203 was held October 7.

The American Federation of Government Employees held a regular monthly meeting October 14.

The Gob Grant Park meeting was held October 21. The Gulf Grant meeting was held October 27.

Administration

Personnel. Supervisory Park Ranger Jones Valdez left October 13 for Jefferson National Expansion Memorial in St. Louis, Missouri, for temporary assignment there.

Assistant Chief Park Ranger Spivenson, Clarence Rangers Eliot Davis and Edward Berg, and the Enforcement Officer Joseph Treaux, received appointments as Special Deputy, U. S. Marshall, effective October 16.

Albert A. Pulsrom, promotion October 11 to Supervisory Park Ranger, GS-4, from Acting Supervisory Park Ranger, GS-5.

Maynard A. Barrows, reassignment and change of headquarters, GS-11, Grand Teton National Park, class of business October 31.

In-Service Training. Chief Park Ranger Brown left the park October 16 to give instructions and practical demonstrations in survival and mountain rescue techniques at the National Park Service Training Center on Turnpike National Park.

Accidents and Public Safety. Eight automobile accidents were reported during the month, two were class "A" and the rest were of a minor nature.

Cooperative Activities

General Publicity. Press releases issued during the month were on road conditions in the park, primarily bear ten meet to the Clovis, New Mexico area, operations closing at Old Faithful and discontinuing of manpolising after November 1.

On each Thursday, Yellowstone's Weekly News was issued to keep employees, concessioners and others currently informed of park happenings.

Religious Services and Chapel Use. The Yellowstone National Park Chapel was used for Protestant religious services each Sunday morning at 10:00 a.m. with the Rev. Jack A. Jennings, Resident Minister conducting the services.

Interpretive Services. Chief Naturalist Condon presented two programs during the month--October 7, the Big Timber Women's Club with 68 women in attendance and on October 22, the Science Club of Park County High School, Livingston, with 64 persons in attendance.

Museum Activities and Exhibits. The Mammoth Museum remained open all month. The Old Faithful Museum was closed on October 10.

Material is being assembled in the Museum Laboratory in Washington, D. C. for the Canyon Village Visitor Center on "Spurgin's Beaver Slide".

Shutters were placed on all the wayside exhibits on October 29 and canvas covers were put on the glassed-in exhibits in the Foyer of the Norris Museum on the 29th.

Research and Observation. On October 7 research was performed in the Yellowstone Research Library for information about a tree reported as found in 1889 by Messrs. Rollins, Woody and Dewing on Coulter Creek about 3/4 mile above its mouth and 50 feet from its left bank. This tree was supposedly blazed with an "X" and "J.C.", cut down by army officials and the section with the blaze sent to park headquarters but it apparently became lost enroute as no record could be found in the library.

A field trip was made to the geyser basin along the Firehole River on October 13 and a number of major geysers were observed in eruption. The Fountain Geyser erupted for fifty minutes after which the Jet Geyser went into a violent period of play, as also did the Clepsydra Geyser. Numerous other geysers were observed in eruption.

A Picket Pin or Ground Squirrel was observed out of hibernation and feeding on fresh green grass on October 18. It is uncommon to see these animals out after the first of September.

Natural History Association. The pageant presented on September 12 was pictorially represented in the Great Falls Tribune--two copies were obtained for the research library.

Mrs. Connie Norris, Clerk of the Association, terminated her services October 15.

On each Thursday, Yellowstone's weekly dove was issued to keep employees, concessioners and others currently informed of park happenings.

Religious Services and Chapel Hall. The Yellowstone National Park Chapel was used for Protestant religious services each Sunday morning at 10:00 a.m. with the Rev. Jack L. Jennings, Resident Minister conducting the services.

Interpretive Services. Chief Naturalist Conde presented two programs during the month--October 7, the Big Timber Women's Club with 68 women in attendance and on October 22, the Science Club of Park County High School, Livingston, with 64 persons in attendance.

Museum Activities and Exhibits. The Mammoth Museum remained open all month. The Old Faithful Museum was closed on October 10.

Material is being assembled in the Museum Laboratory in Washington, D. C. for the Canyon Village Visitor Center on "Spergin's Beaver Slide".

Shutters were placed on all the exhibits exhibits on October 29 and cheese covers were put on the glasses-in exhibits in the Foyer of the Mammoth Museum on the 15th.

Research and Conservation. On October 7 research was performed in the Yellowstone Research Library for information about a tree reported as found in 1889 by Messrs. Collins, Moody and Dowling on Coulter Creek about 3/4 mile above the mouth and 50 feet from its left bank. This tree was apparently blazed with an "O" and "U.S.", cut down by army officials and the section with the blaze sent to park headquarters but it apparently became lost enroute or no record could be found in the library.

A field trip was made to the geyser basin along the Firehole River on October 13 and a number of major geysers were observed in eruption. The Fountain Geyser erupted for fifty minutes after which the Pat Geyser went into a violent period of play, as also did the Clepsydra Geyser. Numerous other geysers were observed in eruption.

A Fisher Pin or Ground Squirrel was observed out of hibernation and feeding on fresh green grass on October 11. It is unusual to see these animals out after the first of September.

Natural History Association. The support presented on September 11 was pictorially represented in the Great Falls Yellowstone copies were obtained for the research library.

Mrs. Connie Morris, Clerk of the Association, terminated her services October 13.

Operations

Concessioners. The Hamilton Lake store closed on October 14 and the store and service station at Old Faithful were closed on October 28. Gar Helppie, Vice-President and Trev Povah, President, Hamilton Stores, Inc., departed for the company's winter headquarters at Santa Monica, California on October 16 and 28, respectively.

J. E. Haynes, President, Haynes, Inc., and Mrs. Haynes departed October 14 for their winter headquarters in Bozeman, Montana.

John Q. Nichols, President, Yellowstone Park Company, left October 18 for the winter headquarters at La Jolla, California. Huntley Child, Jr., Vice-President of the Yellowstone Park Company left October 31 for Cleveland, Ohio to attend the American Hotel Association convention. He will then go to New York to attend a meeting of the American Council of Churches and a hotel show. He expects to return November 23.

Maintenance. The Red Lodge-Cooke City road was barricaded to travel on October 3--the barricades were taken down on the 14th, however, snow closed the road for the winter the 15th.

Work on parking areas--Old Faithful to Thumb--was discontinued on October 18. Snow fences and roadside marker poles have now been installed on the roads throughout the park.

The annual inspection of all bridges was conducted during the month by the Engineering Division.

The sites of the old amphitheater at Mammoth Hot Springs and the old Canyon campground, were obliterated.

Complaints. Nine complaints were answered during the month. They varied from dissatisfaction of accommodations to difficulties in cashing travelers checks.

Protection and Ranger Service. Protection activities consisted mainly in preparations for winter--road patrols relative to snow conditions, boundary patrols, stocking of winter patrol cabins and other action connected with the management and protection of wildlife. Elk traps were conditioned in preparation for the reduction program to begin in November.

Law Enforcement. An automobile accident was investigated on October 2 which occurred as a result of excessive speed. Mr. Roy Lee Belt, operator of the car, was brought before the U. S. Commissioner. Keith Stalworthy and Glenn Buss, alias Keith and Glenn Nelson, were apprehended on October 31 stealing gasoline from a contractor's vehicle. They were operating a stolen car and since it was learned that there was a felony record against the men, they were transported to Thermopolis, Wyoming.

Operations

Cooperatives. The Hamilton Lake store closed on October 16 and the store and service station at Old Faithful were closed on October 28. Our salpeter, Vice-President and Tour Group, President, Hamilton Stores, Inc., departed for the company's winter headquarters at Santa Monica, California on October 16 and 28, respectively.

J. A. Hayes, President, Hayes, Inc., and Mrs. Hayes departed October 16 for their winter headquarters in Hayes, Montana.

John C. Gibbons, President, Yellowstone Park Company, left October 16 for the winter headquarters of La Jolla, California. Shelley Child, Jr., Vice-President of the Yellowstone Park Company left October 16 for Cleveland, Ohio to attend the Hamilton Sales Association convention. He will then go to New York to attend a meeting of the American Council of Churches and a hotel show. He expects to return November 23.

Bridgeport. The Red Lodge-Cooke City road was barricaded to travel on October 3--the barricades were taken down on Oct 11th, however, snow closed the road for the winter the 15th.

Work on parking area--Old Faithful to Thumb--was discontinued on October 18. Snow fences and roadside marker poles have now been installed on the roads throughout the park.

The annual inspection of all bridges was conducted during the month by the Engineering Division.

The sites of the old amphitheater at Mammoth Hot Springs and the old Canyon Campground, were obliterated.

Complaints. Nine complaints were received during the month. They varied from dissatisfaction of accommodations to difficulties in making traveling checks.

Protection and Ranger Service. Protection activities consisted mainly in preparations for winter-road patrols relative to snow conditions, boundary patrols, checking of winter patrol cabins and other action connected with the management and protection of wild life. Six trips were conditioned in preparation for the protection program to begin in November.

Law Enforcement. An automobile accident was investigated on October 2 which occurred as a result of excessive speed. Mr. Roy Lee Bair, operator of the car, was brought before the U. S. Commissioner. Keith Wilson, Roy and Diana Ross, Alice Weiss and Diane Nelson, were apprehended on October 11 stealing gasoline from a contractor's vehicle. They were operating a stolen car and since it was learned that there was a felony record against the man, they were transported to Thermopolis, Wyoming.

A 1951 Buick, belonging to a Park Service employee was stolen October 19. It was located October 29 near Brigham City, Utah totally wrecked.

Wildlife and Fish Cultural Activities. ANTELOPE. Antelope have been seen in large bands around the North Entrance area, also in the Tower Fall district and on the Hellroaring slopes.

BEAR. Most bears had begun winter hibernation during the month but a mother grizzly and two cubs were observed near Swan Lake on the 29th. Four black bear were trapped in the Canyon area to avoid further trouble around the worker's quarters early in the month. One male black bear was destroyed on the 9th due to becoming a nuisance around employee's quarters in the headquarters area. A grizzly cub was trapped near Gardiner and sent to the Clovis, New Mexico Zoo on October 28.

BISON. Few bison were observed in the Lamar area and along the Madison River. Six bulls remained in the Tower Fall area at Yancey's throughout the month. The reduction of bison is planned for November.

DEER. Deer have been observed frequently at lower elevations. One crippled fawn was destroyed at Mammoth.

ELK. Elk moved slowly during October--shallow depth of snow has not induced any marked movement. They were observed throughout the park during the month. Elk trapping and reduction will again be conducted this winter.

MOOSE. Twelve moose were observed along the west boundary.

SWAN. Ten Trumpeter Swan were observed on the Yellowstone River near Mud Volcano. Twenty-four, including eleven cygnets were observed at Mary Bay the evening of the 29th and on the same date four at Cascade camp and twenty-one near Fishing Bridge. Five, including three cygnets were observed on Floating Island Lake on the 20th and eight on Slide Lake on the 26th.

Building Fire Protection. The Fire Cache obtained a new Jeep fire truck on October 10 and instruction for operation of the municipal fire truck was given on the 16th.

Forest Fire Protection. Rain ended the fire season early in the month. The fire equipment and most of the trucks have been brought into headquarters for storage. Repair of equipment used during the summer was carried on in addition to regular maintenance.

A 1951 point, belonging to a [illegible] employee, was [illegible] October 15. It was located outside of [illegible] Bridge [illegible] crushed.

Utility was then [illegible]. [illegible] Bridge has been used to [illegible] the [illegible], [illegible] the [illegible] full [illegible] on the [illegible] stage.

[illegible]. Some boats had been [illegible] [illegible] road, but a [illegible] and [illegible] were [illegible] [illegible] on the [illegible]. Then [illegible] were [illegible] [illegible] further [illegible] [illegible] the [illegible] [illegible] [illegible]

Design and Construction

New Construction. Active construction projects include the following:

331.18, Buildings and L.P. Gas System, Canyon. This contracting job is 80 per cent complete.

331.19, Fire Lookout, Divide Creek. This project is 90 per cent complete.

331.21, Employee Residences (5) Mammoth; 331.22, Camp Ranger Residence, Fishing Bridge Campground; 331.23, Comfort Stations (4) Fishing Bridge Campground; 331.24, Apartment House, Lake; 331.25, Wash House for Employees' Trailer Court, Old Faithful; contract for this project to be completed in 1958 was awarded October 28 to Newell J. Olson & Sons, Logan, Utah.

332.19, Main Electric System, Canyon. This contracting job is 98 per cent complete.

332.22, Water, Sewer, Power, Employees Trailer Court, Lake. This is a day labor job and is 95 per cent complete.

332.24, Cabin Area, Water and Sewer Systems at Lodge Area, Lake. This contract project is 100 per cent complete.

332.29, Power Line to Radio Installation, Bunsen Peak. This contract project is now 60 per cent complete.

332.30, Sewerage and Sewage Treatment System Enlargement, Fishing Bridge. This is a contract project and is 80 per cent complete.

332.31, Water, Sewer, Power, Employees Trailer Court, Old Faithful. This is a day labor project and is 90 per cent complete. Work on this project will be suspended until spring.

332.32, Water, Sewer and Power (por.), Mammoth Residential Area. This is a day labor job scheduled for completion in 1958 and is awaiting work order approval.

Other active projects include 333.3, Campground Facilities, Tables, Fireplaces, Etc., Fishing Bridge, 95 per cent complete; 333.5, Grading and Planting, Campground, Fishing Bridge, 85 per cent complete; 333.8, Amphitheater, Canyon, 90 per cent complete, and 333.10, Fine Grading and Planting, Canyon, 60 per cent complete. These projects are all day labor jobs.

333.12, Compound Fence, Canyon. The contract for this project has been awarded to Cyclone Fence, Department of American Steel, Salt Lake City, Utah on October 7. Work is to begin next spring.

Design and Construction

New Construction. Active construction projects include the following:

331.18, Buildings and L.P. Gas System, Canyon. This contracting job is 80 per cent complete.

331.19, Fire Lookout, Civilian Conch. This project is 85 per cent complete.

331.21, Employee Residences (3) Barracks; 331.22, Camp Ranger Residence, Fishing Bridge Campground; 331.23, Comfort Stations (4) Fishing Bridge Campground; 331.24, Apartment House, Lake; 331.25, Wash House for Employees' Trailer Court, Old Faithful; contract for this project to be completed in 1958 was awarded October 28 to Russell J. Olson & Sons, Logan, Utah.

331.26, Main Electric System, Canyon. This contracting job is 98 per cent complete.

331.27, Water, Sewer, Power, Employees Trailer Court, Lake. This is a day labor job and is 95 per cent complete.

331.28, Cabin Area, Water and Sewer Systems at Lodge Area, Lake. This contract project is 100 per cent complete.

331.29, Power Line to Radio Installation, Canyon Park. This contract project is now 90 per cent complete.

331.30, Sewerage and Sewage Treatment System Enlargement, Fishing Bridge. This is a contract project and is 40 per cent complete.

331.31, Water, Sewer, Power, Employees Trailer Court, Old Faithful. This is a day labor project and is 90 per cent complete. Work on this project will be suspended until spring.

331.32, Water, Sewer and Power (per.), Mammoth Residential Area. This is a day labor job scheduled for completion in 1958 and is awaiting work order approval.

Other Active projects include 331.1, Campground Facilities, Tables, Fireplaces, Etc., Fishing Bridge, 85 per cent complete; 331.2, Grading and Planting, Campground, Fishing Bridge, 85 per cent complete; 331.8, Amphitheater, Canyon, 90 per cent complete, and 331.10, Fine Grading and Planting, Canyon, 40 per cent complete. These projects are all day labor jobs.

331.22, Compound Fence, Canyon. The contract for this project has been awarded to Cyclone Fence, Department of American Steel, Salt Lake City, Utah on October 7. Work is to begin next spring.

333.13, Range Plots (5), Park General. This project is still 5 per cent complete and awaiting delivery of materials.

333.14, Site Preparation for Employees Residences, Mammoth. This day labor project is awaiting work order approval.

521.3, Bituminous Surfacing and Parking Areas, Norris-Canyon Cutoff, 85 per cent complete; 521.4, Interpretive Structures and Striping Center Line and Parking Areas, Grand Loop and Norris-Canyon Cutoff, 6 per cent complete and 521.5, Route 3, Grading and Base Surfacing, West Entrance to Madison Junction and Madison River Bridge and Approaches, 8 per cent complete.

Lemuel A. Garrison
